WORK EXPERIENCE

Intern | Axon Technologies

Oct 2024 to Jan 2025

Axon Technologies is a leading cybersecurity firm based in Dubai, specializing in providing innovative security solutions, risk management, and IT infrastructure protection to businesses across the region.

- Revitalized the company website, enhancing content quality and front-end design to improve user engagement and reflect the company's expertise in cybersecurity.
- Collaborated with the team to redesign the website's layout, ensuring a modern, responsive, and user-friendly interface that aligns with the company's professional branding.
- Updated and streamlined website content, ensuring accuracy, relevance, and alignment with Axon Technologies' mission and services.
- Utilized HTML, CSS, JavaScript, and other front-end tools to implement design changes and improve site performance.
- Demonstrated strong attention to detail and problem-solving skills, delivering a polished and professional website within project deadlines.

Intern | Armada Holding

Dec 2022 to Apr 2023

Armada Group is an entity of a Multi-Billion portfolio of facilities in Health care, Wellness & Spa, Real Estate Development, Contracting and Facilities Management, and Hospitality. It is a self-described high-quality community of Medical Services, well-being, Leisure, Project Development and maintenance, and a luxurious dynamic environment of Hotel Facilities and entertainment.

- Instrumental in Armada's e-commerce project, Yalla Bazaar, managing inventory and data with Microsoft Excel and Google Sheets while contributing as a front-end web developer to enhance user interfaces.
- Ensured top-notch product images using Adobe Photoshop, showcasing meticulous attention to detail in design and front-end web development.

- Played a vital role in maintaining an organized and updated database, supporting the platform's successful launch and ongoing excellence.
- Demonstrated multitasking and problem-solving skills, delivering results within tight deadlines, and collaborating effectively with the team to improve the platform's user experience.

KEY SKILLS

- Presentation: Led a presentation on the school theatre in my school, explaining investing to my colleagues.
 - Collaboration: In my previous job, I worked with the IT team, hearing and suggesting ideas in daily meetings.
